Dear Ms Joy,

The Prince of Wales has asked me to thank you for your letter of 3rd February. His Royal Highness has requested that I reply on his behalf.

His Royal Highness was touched to receive a copy of your delightful book, "The Sense of Trees". It so important to encourage and inspire children to protect the environment and books such as yours are an ideal medium through which to do this.

I was also extremely interested to receive your report. Practical models for ecological restoration are vital in our efforts to mitigate against and adapt to climate change.

The Prince of Wales has asked me to send you his very best wishes for success in your future endeavours.

With my warm regards,

Yours sincerely

Justin Mundy
